IKRA ISLAM ITU

PROJECT MANAGER

Developed project management roadmap to establish project goals, timelines, and milestones. Managed extensive project portfolio, ensuring team support, progress reporting, and positive stakeholder outcomes. Implemented agile software life-cycle methodology.

WORK EXPERIENCE

Product Manager 2021 - Present
DocTime Limited | Dhaka

1. Developed and executed product roadmaps, defining clear project objectives, timelines, and milestones.
2. Led cross-functional teams in agile sprints, ensuring efficient project execution and delivering on-time results.
3. Monitored and reported project progress to key stakeholders, maintaining effective communication and transparency.
4. Leveraged strong influencing skills to drive positive outcomes and alignment among project stakeholders and teams.

Project Manager 2020 - Present
Media365 | Dhaka

1. Conducted risk assessments and implemented mitigation strategies to proactively address potential project challenges.
2. Collaborated with stakeholders to gather requirements, prioritize tasks, and establish project scope.
3. Implemented project management methodologies, such as Agile, to streamline processes and improve project delivery.
4. Tracked project budgets, allocated resources effectively, and ensured projects were delivered within allocated financial constraints.
